PROFESSIONAL, COMPACT AND SAFE WOOD CHIPPERS

WORK! and ENJOY!

W300

wood chipper

Compact wood chipper.

Do you have a Walker zero-turn mower in your machine park? Then the Jo Beau W300 wood chipper is indispensable if you want to use your Walker all year round.

The W300 is 100% compatible with the Walker front mower from 16 HP with collection box and is driven by the PTO of the front mower.

The wood chips and other chopped green waste are neatly collected in the collection bin and can easily and be emptied into a trailer.

Safety.

All machines are manufactured in accordance with European Regulations and comply with CE. Each machine is supplied with an operator's manual and parts book.
